A news letter from the Gregsons

Quarterly Vol. 14 Number 4

December 2004

Greetings from our family to yours!

It's that time again for an update on what has been happening in our lives.

Work Project

Always being short handed makes it a challenge to work beyond daily operations. However, God knows our needs and has supplied help at just the right time. Doug spent a couple weeks in November working with Carl Armstrong who came to Guam as a volunteer to help lend a hand with several large computer upgrade projects. Carl is a gifted Computer Administrator whose help accelerated many projects to be completed in a few weeks that would have taken several months or longer if we did not have his help. The new systems will allow our region to work together in a more integrated way. Please pray for TWR Asia as we re-design how we operate. We want to become more responsive to the fast changing needs of our region. We hope to share more with you about these changes in our next letter.

Neighborhood Outreach

For over a year the Lord had put a burden on our hearts to organize an outreach in our neighborhood and in October with the help of others we were able to. The event was a Sunday evening worship service on our front lawn! It happened on October 31st -- a night when literally hundreds of children and adults pass by our house. The meeting was sweet fellowship with about 50 other Christians and included singing, dance, testimonies, distribution of tracts and a series of short evangelistic videos. The goal of the outreach was to proclaim the Lord's love and to show the neighbors that we are open to relationships. In the weeks following this outreach, we have had several new opportunities to talk with our neighbors. We pray that the Lord will break down the barriers to the gospel and give us more opportunities to share God's love with them. As a followup our weekly Bible study group plans to go Christmas caroling in the same area. On a similar topic, some of you joined us in praying for the vacant house next door and we are happy to report that a new family has moved in and we have had good contact with them!

The Dance Troupe performing at the outreach

In bringing a family to the house next to us, the Lord also answered Sarah's prayer for a little girl to play with. Sarah can't help but talk about Jesus and the Bible. This has piqued interest in her new friend to the point that her friend recently asked Denise to read some Bible stories to her. This friend also came with us to the local Bible College's day of outreach to children. Please pray as we reach out to the neighbors God has put around us!

Kid's
Corner

Denise and the girls recently took a few Mandarin Chinese classes. Though mastering the language seems an insurmountable task, we had fun with what we could learn. Joy especially prides herself in being able to sing "Happy Birthday" in Chinese!

We look forward to all the Lord will do in each of our lives this coming year. We are so grateful for His love and care for us.

We want to end by expressing our appreciation for each of you and the role you play in our lives. We recognize that without your help we couldn't be here doing what God has called us to do. Thanks for partnering with us!

Happy New Year, TOO!!
